- nl** ontluchting Ontluchten via centrale ontlufter. Sluit alle radiatoren af en laat de Moon zachtjes volstromen.
 - en** venting Venting is done by using the central air vent. Close all other radiators and fill the Moon slowly.
 - de** Entlüftung Entlüften durch Zentralentlüfter. Alle weiteren Heizkörper abschließen und die Moon langsam füllen.
 - fr** Purger Purger lentement par le blais du purgeur centrale. Pendant la purge fermer tout autre radiateur.
